

The poster features a festive background with a dark, bokeh-style night scene. At the top, a string of warm white lights is interspersed with gold, three-pointed stars. A large, lush green garland with gold ornaments and white snowflakes forms a frame around the central photograph. The photograph shows a group of seven people, mostly women, in a dimly lit room. One woman on the left stands and holds a sheet of paper, while others are seated or standing, some also holding papers. They are dressed in festive attire, including red dresses and a blue hoodie with 'WHITE FOX' printed on it. The overall mood is warm and celebratory.
